Paid for by the Illinois Tenth Congressional District Democrats (www.tenthdems.org).

Join Us As We Fight For Our Democratic Values

Tenth Dems... Grassroots in Action

We're fighting for candidates who share our values and care about these issues:

- A woman's right to choose
- Gun violence prevention
- Our environment
- Social Security and Medicare
- Affordable health care for all
- Comprehensive immigration reform
- LGBTQ+ rights
- Criminal justice reform
- An economy that works for all

If you believe that people – ordinary voters – can make a difference...

If you believe that organizing and directing the energy of these voters is important...

If you believe in what we as Democrats stand for...

Then you believe in the mission of Tenth Dems!

What we do:

- We help elect Democrats to every level of office all over the 10th Congressional District, from Waukegan and Zion up north, to Fox Lake out west, down to Mount Prospect and New Trier Township, and many places in between.
- We bring people into the political process. We get them involved. Sometimes it's by joining us to rally for a cause or protest a policy. Sometimes it's by helping us recruit and manage our volunteers. Our volunteers have gone on to become staff for candidates and elected officials, and have run for office and won. Many have become leaders of grassroots organizations. We recruit and train volunteers to register voters and provide information on when and where to vote. Our weekly Events List keeps people engaged.
- Our Tenth Dems University is an ongoing program of speakers that educates voters, inspires more active and effective political volunteers, and teaches skills needed to run for public office.
- Our Let's Talk Politics is a series of moderated discussions where Democrats in and around the 10th District talk about current issues. These events often feature elected officials, candidates, political analysts, and authors.
- Our large internship program gives young people opportunities for civic engagement.
- We support candidates. We recruit, train, and provide advice and support to candidates.
- We host phone banks, organize door-to-door canvasses, design and mail campaign literature, and analyze election data to target key voters.
- Our Election Protection Team of 125 lawyers ensures that every voter who is entitled to vote is allowed to vote.
- We make our community a better place. We believe politics is about more than just elections: it's the process of working together to improve our neighborhoods, state, country, and world. We offer job interview training and sponsor the Annual Poetry and Prose Contest for students. Our offices throughout the district offer a place for residents to meet, talk, and organize.

We get results:

When Tenth Dems was formed in 2003, the northeast corner of Illinois was strongly Republican.

Since then, we've helped many Democrats get elected and re-elected to the U.S. Senate and House, the Illinois state legislature, county offices, judgeships, and local offices.

Tenth Dems has raised millions of dollars to help elect Democratic candidates in our area.

“Tenth Dems is one of the most impressive grassroots groups I've seen anywhere in the country.”

– Gov. Howard Dean, Former Chairman of the Democratic National Committee
